MINUTES OF THE SESSION

OF THE

PRESBYTERIAN CHURCH,

Montpelier Ind.

PRESBYTERIAN BOARD OF PUBLICATION AND
SABBATH-SCHOOL WORK.

No. 1334 CHESTNUT STREET, PHILADELPHIA.

Nazarene Church

In September, 1921, the Rev. Morris Cook held a tent meeting on the northeast corner of the Ft. Wayne Gas Lot on the south side of East Monroe Street, now the Montpelier-Harrison Township High School property, which resulted in the organization of the Nazarene Church of Montpelier, Ind. For some time the regular services were held in the home of Mrs. Bowen, in the dwelling now owned and occupied by Gorman F. McKean on South Main Street. This organization soon negotiated a purchase of the Presbyterian Church at the corner of Monroe and Jefferson Streets. When the oil and gas interests collapsed most of the membership of the Presbyterian Church went to other localities. But prior to this purchase the Church of Christ people leased the church while they wrecked their church on the corner of Green and Jefferson Streets, using their material of this building in the erection of a new church on the corner of Huntington and Jefferson Streets. During the time the former Presbyterian Church was occupied by the Church of Christ, the Nazarenes held their special services just west of the Triplex now (glove factory) although their deed for their church was recorded on Feb. 22, 1922, the lease holding the church until the new church for the Church of Christ was completed.

The following named pastors have served the Nazarene Church: Morris Cook, the first two years, 2, Richard Rahrar, two years; 3, C. S. Driscoll, 1 year; 4, Simon Moore, 3 years; 5, Hermon Wymer, 1 year; 6, Gaston Coyner, 2 years; 7, Clinton Templin, 1 year; 8, H. W. Myers, 1 year; 9, Vern Leonard, 1 year and present pastor.

PREFACE.

The "Form of Government" of the Presbyterian Church, in Chapter IX, Section VIII, directs that "*every Session shall keep* A FAIR RECORD of *its proceedings;* which record shall be, at least once in every year, submitted to the inspection of the Presbytery."

Notwithstanding this direction, great want of neatness and precision is found in every section of the Church, in the method of keeping these Records. There is also a great lack of uniformity in the size and kind of books in which they are inscribed.

It is with the desire of aiding to do away these evils, by presenting to the Church a model volume of Sessional Records, that the Board of Publication has, at the request of a number of Ministers and of Presbyteries, prepared this book. It should be kept by a Clerk appointed by the Session, and the entries be made in a neat and legible hand; the necessity for interlineations and corrections being carefully avoided.

A CHURCH REGISTRY has likewise been prepared. As it is not required to be annually carried to Presbytery for inspection and approval, and as it may not be filled at the same time with the book of Minutes, it seems best that it should usually be a separate volume. Still, the two may be obtained bound together or apart.

Specimen of Records.

For the benefit of inexperienced Clerks of Sessions, we present the following, which will exhibit the proper method of making entries, upon a number of the commonest matters to be recorded.

MINUTES OF SESSION.

1882.
Sept. 17th.

JOHNSVILLE, SEPT. 17, 1882.

The Session met at the Parsonage at 3 o'clock, P. M. Present, Rev. James S., the Moderator, with Elders John W., James S., and Thomas W. The meeting was opened with prayer. The minutes of the last meeting were read.

Robert S. and Mrs. Eliza F. (wife of David) appeared before Session and were examined on their religious experience, when, having made a satisfactory profession of their faith in the Lord Jesus Christ, they were admitted to the sealing ordinance of the Lord's Supper. J. K. and T. R. after due examination, were admitted to the sealing ordinances of Baptism and the Lord's Supper.

A free conversation was held upon the state of religion in the congregation, from which it appeared that there was much cause for gratitude and encouragement.

It having appeared that Common Fame charges Henry A. with unchristian conduct in several particulars, the Moderator and Elder W. were appointed a committee to wait upon Mr. A. upon the subject and report to the Session at its next meeting.

Charles T. appeared before the Session and preferred certain charges against Samuel L. After hearing the charges, the Session directed its Clerk to give the accused a copy of the same with the names of the witnesses to support them, and to cite all concerned to appear at the next meeting of the judicatory.

Elder John W. was appointed to attend the approaching meeting of the Presbytery.

Closed with prayer.

Signed,

JAMES S., Clerk.

April-1st 1900 At the call of the Moderator, the session met in the lecture room of the Church, at the close of the morning service. —— members all present.

The minute of preceding meetings, beginning with April 1st 1899 were read and approved. The committee appointed to visit Bro Dalton & Putnam, reported that they had called on brother Dalton but found that he was absent from home to be gone several days, and so failed to see him.

One member of the committee — the Pastor — called on brother Putnam and had a full conversation with him & his wife about the continued absence of themselves & family from the service of the Church.

They claim is to be absenting themselves from Church service, because of certain alledged offenses, and evil sayings of officers and members of the Church. They request themselves positively that they would not come back and seek reconciliation, And at the same time ask for letters for themselves & son and daughter to the 1st. E. Church of this place. This report was submitted to the session, And after careful consideration it was decided, that it would be better for the sake of peace to grant them their letters on two conditions, First — that brother Putnam

should bring up certain arrearages in his subscription to the support of the Church. Resolved, that on the receipt of their letters they should immediately present them to the Church to which they are directed.

THE CHURCH REGISTER

OF THE

PRESBYTERIAN CHURCH

PRESBYTERIAN BOARD OF PUBLICATION AND
SABBATH-SCHOOL WORK,
No. 1334 Chestnut Street, Philadelphia.

PREFACE.

This book should be kept in the possession of the Pastor of the Church, by whose own hand all entries should be punctually and carefully made.

On the death or removal of the Pastor, the book should be returned to the Session, for the use of his successor.

The REGISTER should be kept with great care, and the entries should be made punctually, in a neat and legible hand; particular care being taken to spell names correctly, and to insert dates plainly, as in many cases the issues of important lawsuits may depend on the evidence derived from this source. It is a gratification also to families, to know that there is in the possession of the Church an accurate registry of this kind.

The book is divided into seven parts, viz.:

I.	The Register of Pastors,	Page 1
II.	" " " Elders,	2
III.	" " " Deacons,	9
IV.	" " " Communicants,	18
V.	" " " Baptisms,	136
VI.	" " " Marriages,	194
VII.	" " " Deaths,	213

N. B.—In beginning to use this book, it is recommended that at least the lists of Pastors, Elders and Deacons should be entered, as far as possible, from the organization of the Church.

The Trustees of ... Church ...

DEAR SIRS:

We have arranged for a renewal of $ ... ***insurance against fire and lightning*** on your church building from ... 19..., to ... 19..., at a cost of $ ...

This is in accordance with the insurance clause in the mortgage given by your church to this Board, which reads as follows: "And the said parties of the first part further agree to effect *through the Board,* an insurance upon their church buildings, against loss or damage by fire, in such incorporated company as the Board may select, in the amount secured by this mortgage *** and to *renew* such insurance *through the Board,* from time to time, as the same may expire."

The insurance is for your protection as well as for that of this Board, but as the Board is not permitted to obtain insurance beyond the amount of its mortgage interest, other insurance by the church itself is permitted by the policy, and we trust you will keep the property sufficiently insured.

Any policy taken by the church should contain permission for other insurance, and have lightning clause attached.

The Board leaves the matter of tornado insurance entirely in the hands of the churches; but urges on trustees the importance, particularly in certain districts, of guarding against loss from tornadoes.

Please remit $ ... ***promptly*** by New York Draft or Money Order payable to me as Treasurer, using the remittance form attached, and filling all the blanks therein carefully for my information. If the risk has been affected by changes in the building, or by the erection of buildings in its immediate neighborhood, within five years, please advise me.

Yours respectfully,
ADAM CAMPBELL,

[Approved and issued by W. H. Roberts, Stated Clerk of the General Assembly, Witherspoon Building, Philadelphia, Pa.]

Marion, Indiana, October 1, 1914.

To the Session,

Dear Brethren:

The Presbytery of Muncie at its recent meeting adopted the new plan for dealing with the vacant church, as proposed by the General Assembly at Chicago last May. This Plan is of course a radical departure from the haphazard methods that have in the past characterized the vacant church situation.

By the vote of Presbytery the Home Mission Committee was asked to serve as the Presbyterial Committee on Vacancy and Supply till the Spring Meeting of Presbytery and we deem it important that each Session shall at the very beginning definitely understand all of the provisions of the new Plan, which by the action of Presbytery is in the future to govern all churches of the Presbytery as they become vacant. We are therefore mailing you a copy of this new plan and we ask that at as early a date as possible this matter be presented to your full Session at a meeting, in order that you may thoroughly acquaint yourselves with all of its provisions. Presbytery voted that the election of a committee on Vacancy and Supply should be the order for 1:30 Tuesday at the Spring Meeting.

From a study of the Plan you will discover:-

(1) When any Session has knowledge that its pulpit is soon to become vacant it is made the duty of the Session to promptly report this fact to the Presbyterial Committee.

(2) All churches of the Presbytery as they become vacant automatically go under the care of the Presbyterial Committee on Vacancy and Supply to which Committee the vacant church is at all times privileged to present its desires.

(3) All supplies for the vacant fields will be appointed by the Committee on Vacancy and Supply.

(4) All correspondence in regard to vacant fields is to go to the Presbyterial Committee.

(5) The Plan provides that in the future there shall be no "consulating" in the sense of contesting for pulpits, but that when one man has been heard as a possibility for the pastorate he shall be disposed of by the vote of the people before another is considered.

These are only a few of the more important provisions, but it is hoped that the members of your Session will carefully read the entire Plan together with the Discussion printed in connection therewith. The Presbytery believes that this Plan will operate in the interest both of harmony and efficiency. The accompanying copy of the Plan should be preserved with your Sessional Records.

Sincerely yours,
H. E. Cary
